THE RIGHTS OFFERED HEREUNDER HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 OR ANY STATE SECURITIES LAWS. THIS AGREEMENT MAY NOT BE TRANSFERRED EXCEPT AS PROVIDED HEREIN AND UNDER APPLICABLE LAW.

IMPORTANT SECURITIES LAW NOTICE

THIS SIMPLE AGREEMENT FOR FUTURE TOKENS (THIS "AGREEMENT" OR "SAFT") HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, THE FLORIDA SECURITIES AND INVESTOR PROTECTION ACT, CHAPTER 517, FLORIDA STATUTES, OR THE SECURITIES LAWS OF ANY OTHER JURISDICTION.

THIS AGREEMENT IS BEING OFFERED AND SOLD ONLY IN A PRIVATE PLACEMENT TO ELIGIBLE INVESTORS PURSUANT TO AN AVAILABLE EXEMPTION FROM REGISTRATION, INCLUDING, AS APPLICABLE, RULE 506 OF REGULATION D UNDER THE SECURITIES ACT, REGULATION S FOR CERTAIN NON-U.S. PERSONS, AND/OR APPLICABLE STATE SECURITIES LAW EXEMPTIONS.

THE TOKENS, IF AND WHEN ISSUED, ARE INTENDED TO FUNCTION AS CONSUMPTIVE UTILITY TOKENS FOR ACCESS TO THE AIcreatesAI PLATFORM, INCLUDING AI COMPUTE, AI CREDITS, AGENT DEPLOYMENT, LLM/API ACCESS, AUTOMATION WORKFLOWS, SKILLS MARKETPLACE FUNCTIONALITY, BUSINESS-IN-A-BOX SERVICES, PREMIUM SOFTWARE FEATURES, AND RELATED DIGITAL SERVICES.

TOKENS DO NOT REPRESENT EQUITY, DEBT, STOCK, MEMBERSHIP INTERESTS, DIVIDENDS, PROFIT SHARE, REVENUE SHARE, VOTING RIGHTS, MANAGEMENT RIGHTS, OR ANY OWNERSHIP INTEREST IN AIcreatesAI INC.

AN INVESTMENT IN THIS AGREEMENT INVOLVES A HIGH DEGREE OF RISK. THE COMPANY IS AN EARLY-STAGE TECHNOLOGY COMPANY. THE PLATFORM MAY NEVER BE COMPLETED, THE TOKEN GENERATION EVENT MAY NEVER OCCUR, TOKENS MAY NEVER BE DELIVERED, AND THE INVESTOR MAY LOSE THE ENTIRE PURCHASE AMOUNT.

This Agreement is designed as an execution-ready private placement SAFT template for use with an investor onboarding workflow. All bracketed or double-braced fields are intended to be pre-populated by the Company's investor portal, document automation system, or authorized personnel before signature.

SIMPLE AGREEMENT FOR FUTURE TOKENS

This Simple Agreement for Future Tokens, including all schedules and exhibits attached hereto (this "Agreement" or "SAFT"), is entered into as of {{EXECUTION_DATE}} by and between AIcreatesAI Inc., a Florida corporation with its principal address at 8310 Byron Avenue, Miami Beach, Florida 33141, EIN {{COMPANY_EIN}} (the "Company"), and {{INVESTOR_LEGAL_NAME}}, located at {{INVESTOR_ADDRESS}} (the "Investor"). The Company and the Investor may be referred to individually as a "Party" and collectively as the "Parties."

RECITALS

WHEREAS, the Company is developing AIcreatesAI, Eve OS, Adam, Eve, Jarvis, Company-in-a-Box, AI agents, software tools, workflow automation, compute infrastructure, credit systems, marketplace functionality, and related technology products;

WHEREAS, the Company intends to use proceeds from this private financing for lawful corporate purposes, including compute infrastructure, AI model hosting and development, product engineering, token infrastructure, compliance, operations, and go-to-market activities;

WHEREAS, the Company intends, subject to applicable law, technical readiness, business judgment, regulatory review, and platform readiness, to create and issue a digital token currently referred to as "\$AICA" intended to provide consumptive utility within the AIcreatesAI ecosystem;

WHEREAS, the Investor desires to purchase from the Company, and the Company desires to sell to the Investor, a contractual right to receive future Tokens, if and when such Tokens are created, issued, and made available by the Company, subject to this Agreement;

WHEREAS, the Parties acknowledge that this Agreement may constitute a security under applicable federal and state securities laws and is being offered and sold only pursuant to an available exemption from registration; and

WHEREAS, the Tokens, if and when issued, are intended to function as utility tokens and are not intended to represent ownership, equity, debt, profit-sharing rights, dividends, revenue share, governance rights in the Company, or any claim against Company assets.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. DEFINITIONS

1.1 "Affiliate". With respect to any person or entity, any other person or entity that directly or indirectly controls, is controlled by, or is under common control with such person or entity.

1.2 "Applicable Law". All applicable federal, state, local, foreign, and international laws, rules, regulations, orders, directives, judgments, and regulatory guidance, including securities, tax, anti-money laundering, sanctions, money transmission, consumer protection, data privacy, and digital asset laws.

1.3 "Company Platform or Platform". The AIcreatesAI software, infrastructure, services, AI tools, compute resources, AI agents, automation workflows, dashboards, applications, APIs, credit systems, marketplace features, and related products developed, operated, licensed, or made available by the Company.

1.4 "Consumptive Use". Use of Tokens to access, pay for, unlock, consume, or interact with Platform products, services, compute resources, AI agents, credits, subscription tiers, APIs, marketplace functionality, or other Company-approved utility, and not for investment, speculation, profit, dividends, passive income, or financial return.

1.5 "Disqualification Event". Any event, condition, regulatory determination, legal prohibition, sanctions issue, anti-money laundering issue, bad actor disqualification, or other circumstance that, in the Company's good-faith judgment or counsel's advice, prevents or materially restricts lawful sale of this Agreement, acceptance of funds, or delivery of Tokens.

1.6 "Purchase Amount". The amount paid by the Investor to the Company in exchange for this Agreement, as set forth on Exhibit A.

1.7 "Token or Tokens". The digital tokens currently referred to as \$AICA that the Company may create and issue in the future, intended to provide Consumptive Use within the Platform, subject to all terms, conditions, restrictions, and functionality determined by the Company.

1.8 "Token Generation Event or TGE". The first date on which the Company creates, mints, issues, or otherwise makes Tokens available for distribution, use, or allocation, as determined by the Company in its sole but good-faith business judgment.

1.9 "Token Delivery Date". The date or dates, after the TGE and satisfaction of all conditions in this Agreement, on which the Company delivers Tokens to the Investor.

1.10 "Investor Portal". The Company's online allocation, document, KYC, wallet, or onboarding system used to collect Investor information, pre-populate this Agreement, manage signatures, and track allocation status.

2. PURCHASE AND SALE OF FUTURE TOKENS

2.1 Purchase of Contractual Right. Subject to this Agreement, the Investor purchases from the Company, and the Company sells to the Investor, a contractual right to receive future Tokens if and when Tokens are created, issued, and made available by the Company.

2.2 No Present Token Issuance. The Investor is not purchasing Tokens on the date of this Agreement. The Investor is purchasing a contractual right to receive future Tokens, subject to the occurrence of a TGE and all conditions in this Agreement.

2.3 Purchase Amount. The Investor shall pay the Purchase Amount set forth in Exhibit A. Payment shall be made only by wire transfer, ACH, check, digital asset, stablecoin, or other method approved by the Company and subject to KYC/AML review.

2.4 Token Allocation Formula. The estimated Token allocation shall be calculated using the Purchase Amount, the applicable round price, any Company-approved discount or bonus, and the vesting and lockup schedule set forth in Exhibit A and Exhibit C. Final allocation remains subject to compliance review and Company approval.

2.5 No Guarantee. There is no guarantee that a TGE will occur, Tokens will be issued, Tokens will be functional, Tokens will have market value, or the Platform will be completed.

2.6 Use of Proceeds. The Company may use proceeds for any lawful corporate purpose, including AI compute infrastructure, servers, GPUs, cloud services, model hosting, model training, inference, product engineering, legal and compliance, token infrastructure, operations, team, sales, marketing where lawful, runway, and general working capital.

3. TOKEN UTILITY; NO COMPANY RIGHTS

3.1 Intended Utility. Tokens, if and when issued, are intended to provide Consumptive Use within the Platform, including access to AI compute credits, agent deployment, AI workflows, LLM/API usage,

premium software features, marketplace services, business-building tools, storage, rendering, inference, and related digital services.

3.2 No Equity or Company Rights. Tokens shall not represent or confer equity, stock, membership interests, debt, repayment rights, creditor rights, dividends, profit share, revenue share, liquidation rights, voting rights, board rights, management rights, inspection rights, information rights, or any claim on Company assets, intellectual property, revenues, goodwill, or enterprise value.

3.3 No Investment Return Promise. The Company makes no representation, warranty, covenant, or promise that Tokens will appreciate, have market value, be listed on an exchange, generate profit, create passive income, or be liquid.

3.4 No Exchange Listing Commitment. The Company is not obligated to list, support trading, create liquidity, maintain liquidity, support market-making, or enable resale of Tokens on any exchange, decentralized exchange, broker, dealer, marketplace, or trading platform.

3.5 Functionality May Change. The Platform and Token functionality are under development and may change materially. The Company may modify, suspend, discontinue, replace, upgrade, restrict, or expand Token functionality in its good-faith business judgment and subject to Applicable Law.

4. TOKEN DELIVERY, VESTING, AND LOCKUP

4.1 Conditions to Delivery. The Company's obligation to deliver Tokens is conditioned upon completion of a TGE, Platform readiness, legal and compliance approval, Investor satisfaction of KYC/AML requirements, receipt of accurate wallet or account information, Investor compliance with this Agreement, and absence of any Disqualification Event.

4.2 Delivery Mechanics. Subject to Section 4.1, the Company may deliver Tokens to an approved external wallet, embedded wallet, Platform account, custodial account, internal ledger, or other delivery mechanism designated or approved by the Company.

4.3 Wallet Responsibility. The Investor is solely responsible for providing correct wallet or account information and for securing private keys, seed phrases, devices, credentials, and accounts. The Company is not responsible for loss caused by incorrect, incompatible, compromised, or inaccessible wallet information provided by the Investor.

4.4 Vesting and Lockup. Tokens shall vest and unlock according to the round-specific schedule set forth in Exhibit C or the custom terms set forth in Exhibit A. The Company may apply smart-contract restrictions, account restrictions, whitelist controls, legends, or other mechanisms to enforce vesting, lockups, and legal transfer restrictions.

4.5 Delay or Non-Occurrence of TGE. If a TGE is delayed or does not occur, the Company may extend development, modify Token structure, issue alternative platform credits, refund all or part of the Purchase Amount, terminate this Agreement, or take another lawful action approved by the Company. Unless stated in Exhibit A, the Investor has no automatic refund right solely due to TGE delay.

5. INVESTOR ELIGIBILITY AND SECURITIES COMPLIANCE

5.1 Private Placement. This Agreement is being offered and sold in a private placement pursuant to an available exemption from registration under the Securities Act and applicable state securities laws.

5.2 No General Solicitation Unless Permitted. Unless the Company affirmatively elects an exemption that permits general solicitation, this offering shall not be made by public advertising, public social media promotion, mass marketing, public website solicitation, public token sale, or other general solicitation.

5.3 Accredited Investor or Eligible Non-U.S. Person. Unless the Company approves another lawful exemption in writing, the Investor must be an accredited investor under Regulation D or a non-U.S. person purchasing in an offshore transaction pursuant to Regulation S.

5.4 Florida Securities Compliance. If the Investor is a Florida resident or the offer or sale is deemed to occur in Florida, the offering is intended to be conducted pursuant to an available exemption from registration under Chapter 517, Florida Statutes, and remains subject to anti-fraud provisions and investor-protection laws.

5.5 No Waiver of Securities Laws. Nothing in this Agreement waives non-waivable rights under applicable federal or state securities laws. The Investor acknowledges that the Investor is not receiving equity, ownership, debt, profit-sharing rights, management rights, or other Company governance rights.

6. REPRESENTATIONS AND WARRANTIES OF THE COMPANY

6.1 Organization. The Company represents that it is a Florida corporation, duly organized and validly existing under the laws of the State of Florida.

6.2 Authority. The Company has the corporate power and authority to execute, deliver, and perform this Agreement.

6.3 Binding Obligation. This Agreement, when executed by both Parties, constitutes a valid and binding obligation of the Company, enforceable in accordance with its terms, subject to bankruptcy, insolvency, and equitable principles.

6.4 No Token Guarantee. The Company does not represent or warrant that the TGE will occur, that the Platform will be completed, that Tokens will be delivered by any specific date, or that Tokens will be tradable or valuable.

6.5 Regulatory Uncertainty. The Company acknowledges that digital asset, AI, financial technology, and related regulations are uncertain and evolving, and the Company may modify or delay Token issuance or utility based on legal, regulatory, tax, technical, or business considerations.

7. REPRESENTATIONS AND WARRANTIES OF THE INVESTOR

7.1 Authority and Capacity. The Investor has full legal capacity, power, and authority to execute and perform this Agreement. If the Investor is an entity, it is duly organized and validly existing under its formation jurisdiction.

7.2 Investment Intent. The Investor is acquiring this Agreement for the Investor's own account and not with a view to resale, distribution, syndication, fractionalization, or transfer in violation of Applicable Law.

7.3 Sophistication and Risk Capacity. The Investor has sufficient knowledge, experience, and sophistication to evaluate the merits and risks of this Agreement and can bear the complete loss of the Purchase Amount.

7.4 No Reliance. The Investor has consulted, or had the opportunity to consult, independent legal, tax, accounting, technical, and investment advisors and is not relying on the Company for such advice.

7.5 No Profit Expectation. The Investor acknowledges that Tokens are intended for Consumptive Use and that the Investor is not purchasing based on any promise of appreciation, exchange listing, profit, passive income, or investment return from the managerial efforts of the Company or any other party.

7.6 Accuracy of Information. All information provided by the Investor through the Investor Portal, questionnaires, KYC systems, or other means is true, complete, and accurate in all material respects.

8. KYC, AML, SANCTIONS, AND COMPLIANCE

8.1 Verification Rights. The Company may request, review, retain, and verify information regarding identity, accreditation, source of funds, beneficial ownership, tax status, jurisdiction, sanctions status, wallet status, and transaction history.

8.2 Third-Party Providers. The Company may use third-party providers to conduct KYC, KYB, AML, sanctions, accreditation, wallet screening, blockchain analytics, tax reporting, investor onboarding, and compliance checks.

8.3 Refusal or Termination. The Company may reject an Investor, refuse funds, delay closing, delay Token delivery, terminate this Agreement, or refuse Token delivery if the Investor fails compliance checks or the Company determines the relationship creates legal, regulatory, reputational, banking, sanctions, tax, or compliance risk.

8.4 Source of Funds. The Investor represents that the Purchase Amount is not derived from money laundering, terrorist financing, fraud, sanctions evasion, illegal gambling, narcotics trafficking, corruption, bribery, tax evasion, or unlawful activity.

9. TRANSFER RESTRICTIONS

9.1 No Transfer of SAFT. The Investor may not transfer, assign, pledge, hypothecate, sell, or otherwise dispose of this Agreement or rights hereunder without the Company's prior written consent, which may be withheld in the Company's sole discretion.

9.2 Token Transfer Restrictions. Tokens, if delivered, may be subject to lockups, smart-contract restrictions, whitelist restrictions, legends, compliance approvals, jurisdictional restrictions, and restrictions required by securities laws or Company policy.

9.3 No Resale Without Compliance. The Investor may not resell or transfer Tokens unless such resale or transfer is registered or exempt from registration under Applicable Law and the Investor has provided evidence reasonably satisfactory to the Company.

10. RISK FACTORS

10.1 Startup Risk. The Company is an early-stage technology company. Early-stage companies frequently fail. The Investor may lose the entire Purchase Amount.

10.2 Development and Technology Risk. The Platform, AI systems, smart contracts, wallets, APIs, servers, models, databases, and infrastructure may suffer from delays, bugs, outages, hacks, exploits, data loss, cyberattacks, or technical failures.

10.3 Token Non-Issuance and Utility Risk. Tokens may never be created, issued, delivered, or usable. Even if issued, Tokens may provide limited or no utility.

10.4 Regulatory Risk. Federal, state, and international regulation of tokens, digital assets, securities, AI systems, data processing, and financial technology is uncertain and evolving. Regulation may delay, restrict, or prevent Token delivery or use.

10.5 No Liquidity or Market Risk. There may be no market for Tokens. The Company does not promise exchange listing, liquidity, market-making, token price support, or resale opportunities.

10.6 Tax Risk. Tax treatment of this Agreement and Tokens is uncertain. The Investor is solely responsible for tax obligations arising from this Agreement or Tokens.

10.7 Third-Party Risk. The Company may depend on cloud providers, GPU providers, model providers, blockchain networks, wallet providers, payment processors, banks, compliance vendors, and other parties. Failures by such parties may impair the Platform or Token utility.

11. COMPANY COVENANTS

11.1 Reasonable Development Efforts. Subject to available capital, business conditions, technical feasibility, legal compliance, and management judgment, the Company shall use commercially reasonable efforts to develop the Platform and evaluate creation of Tokens.

11.2 No Duty to Maximize Token Value. The Company has no duty to maximize Token value, support Token trading, increase Token price, create investment returns, or manage the Platform for Token holders' financial benefit.

11.3 Compliance Modifications. The Company may modify Token structure, utility, delivery schedule, transfer restrictions, eligibility requirements, or other terms to comply with Applicable Law or counsel's advice.

12. INTELLECTUAL PROPERTY AND CONFIDENTIALITY

12.1 Company Ownership. All intellectual property, technology, software, code, models, datasets, trade secrets, inventions, trademarks, copyrights, patents, designs, workflows, prompts, agents, interfaces, know-how, systems, and business processes are and shall remain the property of the Company or its licensors.

12.2 No IP Transfer. The Investor receives no intellectual property rights by purchasing this Agreement or receiving Tokens.

12.3 Confidentiality. The Investor shall keep confidential all non-public information received from the Company, including business plans, technology plans, token economics, offering terms, financial information, roadmaps, investor materials, and technical information, except as required by law.

13. TAXES

13.1 Investor Responsibility. The Investor is solely responsible for taxes arising from purchase of this Agreement, receipt of Tokens, use of Tokens, sale or transfer of Tokens, or related transactions.

13.2 No Tax Advice. The Company has not provided tax advice. The Investor should consult independent tax advisors.

13.3 Withholding. The Company may withhold or deduct any amounts required by Applicable Law.

14. INDEMNIFICATION AND LIMITATION OF LIABILITY

14.1 Investor Indemnity. The Investor shall indemnify, defend, and hold harmless the Company and its affiliates, officers, directors, employees, contractors, advisors, agents, successors, and assigns from losses arising from Investor breach, false information, compliance failure, unlawful transfer, sanctions violation, AML issue, or tax obligation.

14.2 No Consequential Damages. To the fullest extent permitted by law, neither Party shall be liable for indirect, incidental, consequential, special, punitive, exemplary, lost-profit, lost-revenue, lost-opportunity, or diminution-in-value damages.

14.3 Liability Cap. To the fullest extent permitted by law, the Company's aggregate liability under this Agreement shall not exceed the Purchase Amount actually received by the Company from the Investor.

14.4 No Personal Liability. No officer, director, employee, shareholder, contractor, advisor, agent, or affiliate of the Company shall have personal liability under this Agreement.

15. TERMINATION

15.1 Termination by Company. The Company may terminate this Agreement upon written notice if the Investor breaches this Agreement, fails KYC/AML review, provides false information, creates a Disqualification Event, or if performance would violate Applicable Law.

15.2 Termination by Mutual Agreement. The Parties may terminate this Agreement by mutual written agreement.

15.3 Effect of Termination. Upon termination, the Company shall determine whether any refund is legally required or commercially appropriate. No refund shall be required for Investor breach, false representation, sanctions issue, AML failure, or unlawful conduct except as required by Applicable Law.

15.4 Survival. Confidentiality, taxes, transfer restrictions, indemnification, limitation of liability, dispute resolution, governing law, risk acknowledgments, and miscellaneous provisions survive termination.

16. GOVERNING LAW AND DISPUTE RESOLUTION

16.1 Governing Law. This Agreement shall be governed by the laws of the State of Florida, without regard to conflict-of-law principles, except to the extent federal securities laws or other federal laws apply.

16.2 Venue. The Parties consent to exclusive jurisdiction and venue in the state and federal courts located in Miami-Dade County, Florida, unless otherwise required by Applicable Law.

16.3 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT.

16.4 Attorneys' Fees. The prevailing Party in any dispute arising out of this Agreement shall be entitled to recover reasonable attorneys' fees and costs, subject to Applicable Law.

17. NOTICES

17.1 Notices. All notices under this Agreement shall be in writing and delivered by email, courier, certified mail, or another method designated by the Company.

17.2 Company Notice Address. Notices to the Company shall be sent to AIcreatesAI Inc., 8310 Byron Avenue, Miami Beach, Florida 33141, Email: {{COMPANY_NOTICE_EMAIL}}, Attention: Authorized Officer.

17.3 Investor Notice Address. Notices to the Investor shall be sent to the Investor at the email and address set forth in Exhibit A.

18. MISCELLANEOUS

18.1 Entire Agreement. This Agreement, together with all exhibits, schedules, investor questionnaires, risk disclosures, and subscription materials, constitutes the entire agreement between the Parties regarding the subject matter hereof.

18.2 Amendments. This Agreement may be amended only by a written instrument signed by the Company and the Investor, except that the Company may make ministerial, technical, or compliance-related modifications to Token mechanics, delivery procedures, and transfer restrictions as reasonably necessary.

18.3 Assignment. The Investor may not assign this Agreement without the Company's prior written consent. The Company may assign this Agreement to an affiliate, successor, acquirer, merger entity, reorganized entity, or purchaser of substantially all Company assets.

18.4 Severability. If any provision is held invalid or unenforceable, the remaining provisions shall remain in full force and effect.

18.5 Counterparts and Electronic Signature. This Agreement may be executed in counterparts and by electronic signature. Electronic signatures shall have the same force and effect as original signatures.

18.6 Further Assurances. The Investor shall execute and deliver additional documents reasonably requested by the Company to carry out this Agreement or comply with Applicable Law.

19. EXECUTION

IN WITNESS WHEREOF, the Parties have executed this Simple Agreement for Future Tokens as of the date set forth below.

EXHIBIT B - \$AICA TOKEN UTILITY SCHEDULE

The Tokens, if and when issued, are intended to provide access to utility within the AlcreatesAI ecosystem. Potential uses may include:

- AI compute credits and usage pools.
- AI agent deployment, runs, workflows, approvals, and automation.
- LLM/API access, model routing, inference, code review, and premium model usage.
- Eve OS, Adam, Eve, Jarvis, and Company-in-a-Box features.
- Skills Marketplace purchases, subscriptions, certification, and service modules.
- Data processing, storage, rendering, reporting, benchmarking, and evaluation services.
- Enterprise usage pools, department access, private workspace features, and service credits.
- Validator, compute, data, feedback, and marketplace functionality where permitted by law.
- Other products, modules, or services approved by the Company.

The Company may modify, expand, restrict, suspend, or discontinue any Token utility in accordance with Applicable Law, platform functionality, and business judgment.

EXHIBIT C - TOKENOMICS AND VESTING SCHEDULE

Current working model, subject to legal, regulatory, tax, compliance, technical, and commercial review.

Category	Percentage	Tokens	Purpose
Private Sale	22.5%	2,250,000,000	Raise \$50M for compute, product, model development, infrastructure, and go-to-market
